FINANCIAL POLICY
EFFECTIVE JANUARY 1, 2018

Thank you for choosing us as your health care provider. We are committed to your treatment and being successful. To avoid any misunderstanding the following is a statement of our Financial Policy, which we require you to read and sign prior to treatment.

All patients must complete a patient information form before seeing the doctor.

FULL PAYMENT IS DUE AT THE TIME OF SERVICE.

WE ACCEPT CASH, CHECKS, OR CREDIT / DEBIT.

WE OFFER AN EXTENDED PAYMENT PLAN WITH PRIOR CREDIT APPROVAL.

INSURANCE

Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. We will accept assignment of insurance benefits after credit has been established. However, full payment of your account is due 30 days after treatment if the insurance company has not paid. We will he happy to file your insurance for you; however, we do need a copy of your current insurance card or a completed insurance form. We ask that you look upon your insurance company as a device that reimburses you for a portion of your dental expenses, not as a device that covers all expenses.

SERVICE CHARGE

A 1.5% service charge will be assessed on accounts 90 days past due, regardless of pending insurance claims.

ADULT PATIENTS

Adult patients are responsible for full payment at the time of service.

MINOR PATIENTS

The adult accompanying a minor is responsible for full payment. For unaccompanied minors, financial arrangements must be made prior to treatment.

Thank you for understanding our Financial Policy. Please let us know if you have any questions or concerns. Ours is a practice built on education, communication, honesty, and sincerity.

I have read the Financial Policy. I understand and agree to the Financial Policy.
